- Medicines optimisation
- Halt growth in acute spend / new contract forms

---

Working with the people of Camden to achieve the best health for all
### Engagement Overview

#### Previous engagement
- Commissioning intentions (CI) are shaped by continuous engagement with member practices and the public; responding to feedback; national priorities and local needs.
- CPPEG representatives attend the following meetings in which commissioning intentions are discussed and contribute to the decision making:
  - Governing Body meetings (with Chair of CPPEG, Chair of Healthwatch Camden and Director of Voluntary Action Camden in attendance)
  - Integrated Commissioning Committee (ICC)
  - Procurement Committee
- CPPEG members are undated through the ICC, Procurement Committee CPPEG member reports on a bi monthly basis, and the CPPEG meetings
- GPs updated at Locality meetings for member practices

#### Planned Engagement events for 2019/20
- Member practice, patient and public views will feed into CI implementation
- Locality Meetings (Oct 2018)
- General Practice PPG forum meeting (Oct 2018)
- CPPEG operational meeting (Jan 2019)
- CPPEG public meeting (Feb 2019)
- Local Care Delivery Board (Nov 2018)
- Commissioning priorities will be disseminated to the public as part of the Local Care communications during November/December, via the CCG patient newsletter, public website and social media. In addition to this Voluntary Action Camden, Healthwatch Camden, Camden Disability Action and local NHS providers will be approached to disseminate the plan via their networks for information.
Continuous Patient Engagement in Commissioning Intentions

Commissioning intentions are discussed annually with CPPEG (incl. Stakeholders).

CPPEG Reps attend short life groups (e.g. PMS and MSK) to develop commissioning changes.

CPPEG Reps hold positions within committees reporting to Governing body.

CPPEG Reps report progress and status at CPPEG operational meetings of groups and committees they attend.

CPPEG reports disseminated to GP PPGS through newsletter, displayed via public website and social media.

Commissioning intentions are discussed annually with CPPEG (incl. Stakeholders).
Discussion

• Reflections?

• Views on priorities?
